

New Qkr! App

(pronounced Quicker)

The P&C Shops committee are upgrading our online ordering system and introducing a smarter quicker (excuse the pun!) way to order tuckshop, uniforms and event tickets!

Why – you ask?

- It's quicker, easier and more reliable for the parents.
- No more eWallets, just link a credit or debit card and you're ready to purchase.
- No more transaction fees for parents who don't have an eWallet.
- Android and iPhone compatible.
- Website version also available for those without a smart phone.

When?

- Tuckshop and Uniform Shop will be switching over from Day 1 Term 3.
- Ball Tickets and P&C Contributions will be available to purchase on Qkr! now

How?

The app is available for free to download at the App Store or Google Play – Search for Qkr!
Once you have downloaded the app simply create an account, add your children and a credit card and you're all ready!
