

# LAPTOP PURCHASE OPTION – ONE TO ONE DEVICES: YEARS 4 - 6

## What is the laptop option for one-to-one devices?

- Under the program, parents purchase a laptop through the school's termly bulk order
- School software and Operating Environment is installed on the laptop. While the student is enrolled at Ironside, the school continues to manage the laptop ensuring it meets EQ requirements. This software is utilised by students both at school and at home.
- Students can take the machine to and from school and home as required.
- Students own the laptop upon cessation of enrolment. When students leave the school the laptop is reimaged with factory supplied operating system and software. If this doesn't occur, the computer will cease to function.

## Included in the package:

- 3 year warranty – including Accidental Damage Protection (ADP)
- Technical support & maintenance from the school for the duration of enrolment
- Backpack
- Education Queensland software use for duration of enrolment at Ironside SS

## Laptop specifications (2018 Machine):

- HP 650 G2
- Core i5 Processor
- 500 GB
- DVD Drive
- 15" screen
- Backpack

## Should you choose for your child to opt in to laptop program upon enrolment:

- Pay \$300 non-refundable deposit.
- Your child's laptop will be ordered for delivery at the commencement of the next school term.
- In the meantime, your child can be provided with a school laptop on a loan basis, upon your request and dependent on availability. This computer must remain on school campus at all times.
- Balance of payment required upon delivery of your child's laptop.
- Comprehensive documentation is provided, so that parents and students understand the requirements and expectations of the Laptop Program. Paperwork needs to be signed and returned to the school prior to the laptop being provided to the student.
