Dear Ironside Parents and Guardians,

Every year the P&C raises funds for the benefit of all students through a P&C Contribution Scheme, fund-raising events and grant applications.

In 2016, the focus was raising funds for the tuckshop renovation (currently in progress) with a budget of $205,000. Other projects have included additional resources for the Library and classrooms, air-conditioning of classrooms, refurbished the swimming pool (ICASAG co-contribution), a pool timing system and an upgrade of the stage lighting and sound in the Hall.

The 2017 focus is completing the renovation of the tuckshop and to consider other projects such as the upgrade of the front playground including the soft fall area (estimated cost of this improvement is $65,000).

**Contributions can be fully tax-deductible** if directed to the Building Fund, which has been established to undertake capital projects. To make a contribution you have the option of

Please note the P&C Contribution Scheme is different to the voluntary contribution the school administration requests.

Parent contributions are essential for Ironside to continue to deliver a first-class play and education environment. We encourage each and every family to participate in the P&C Contribution Scheme. Every dollar counts!

Thank you for your support – on behalf of all Ironside students!

Sincerely,

Ray Osborne
